

Trailer Tube

Rohit, Tej & Trina

Why Trailer Tube?

Have you ever browsed the websites IMDB or OMDB and just wanted to see the trailer of a movie with just one click, but the trailer is not on the page so you now have to search for it on YouTube?

Well, wait no more! Trailer Tube is finally here!

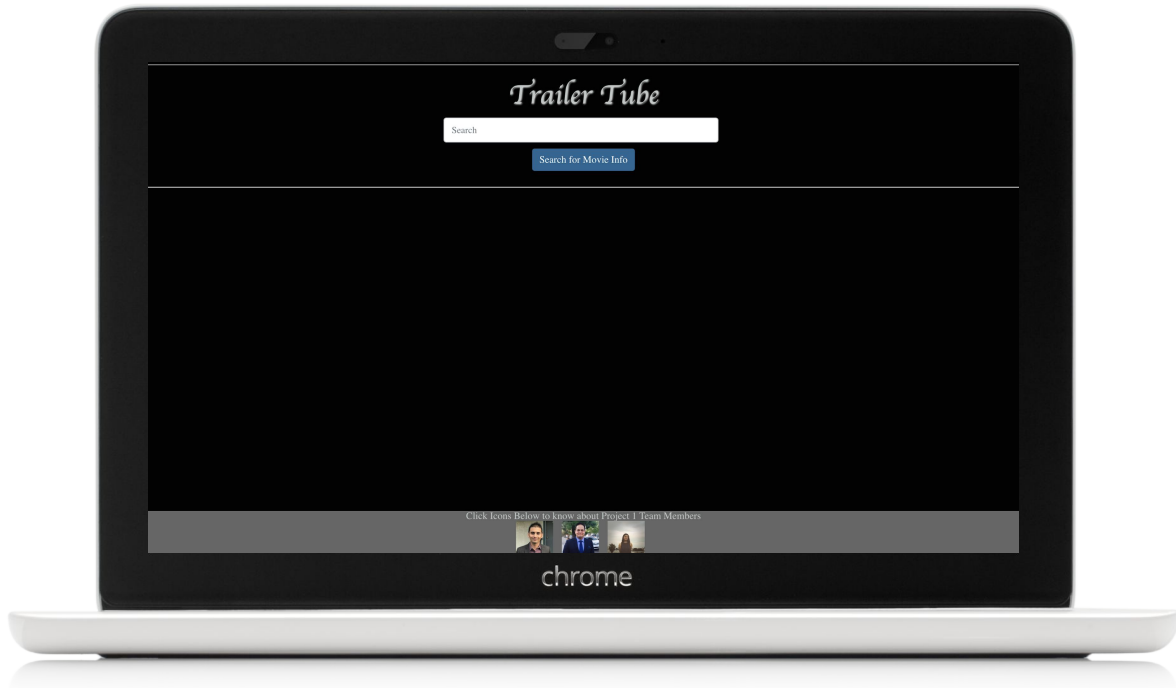

What is Trailer Tube?

Trailer Tube is a website that has a combination of OMDB and youtube. When you go on our page and search a movie, the information (i.e. cast, director, movie location, etc.) of the movie will automatically pop-up! Just below the information is a button that you can click and it will show you the trailer right on **THE SAME PAGE!!!!**

Trailer Tube

— — —

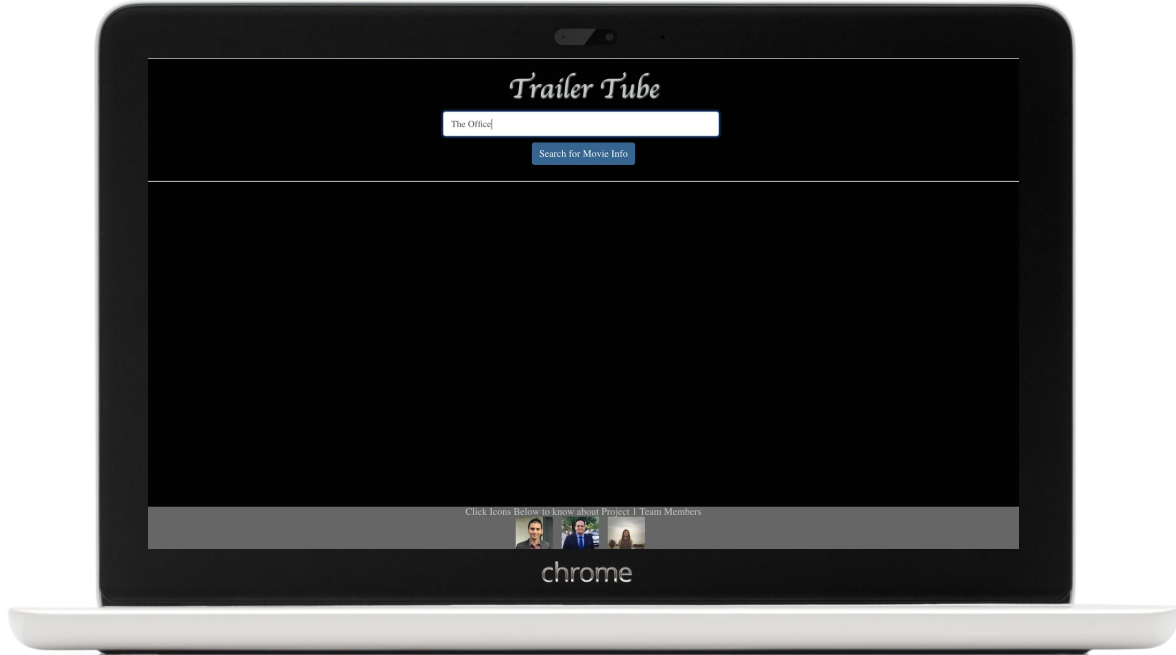

First Step: Go to our
website at `www...`

Trailer Tube

— — —

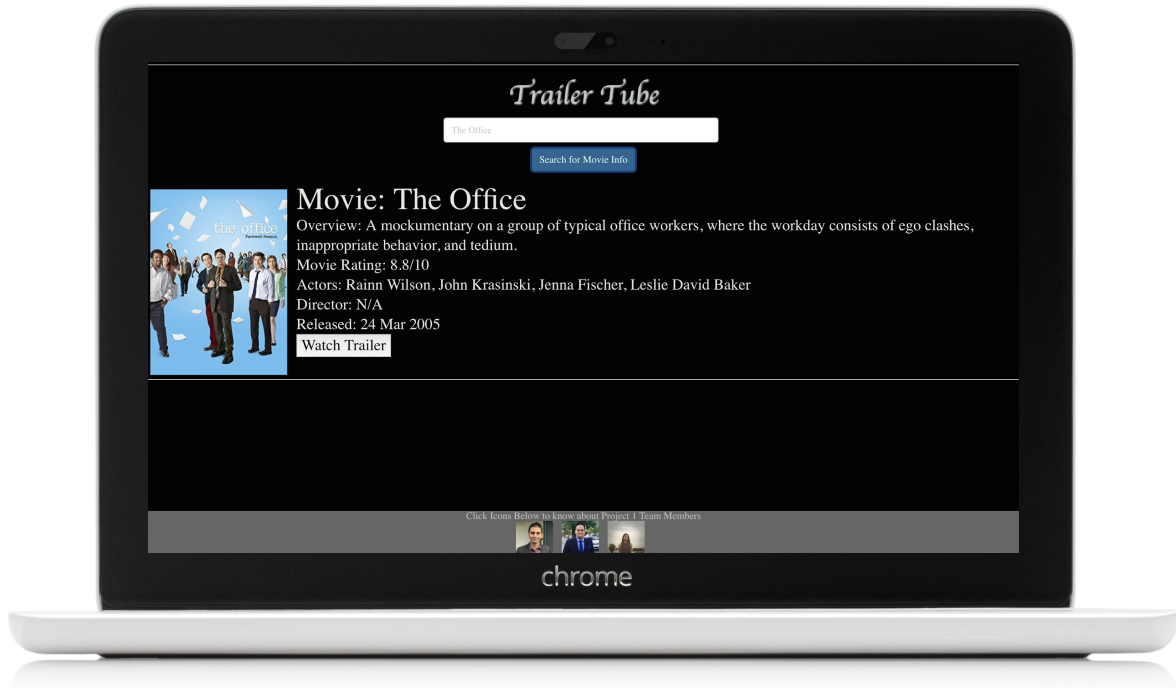

Second Step: Choose a movie that you would like to search. (Our example, we choose the TV sitcom, “The Office.”)

Trailer Tube

— — —

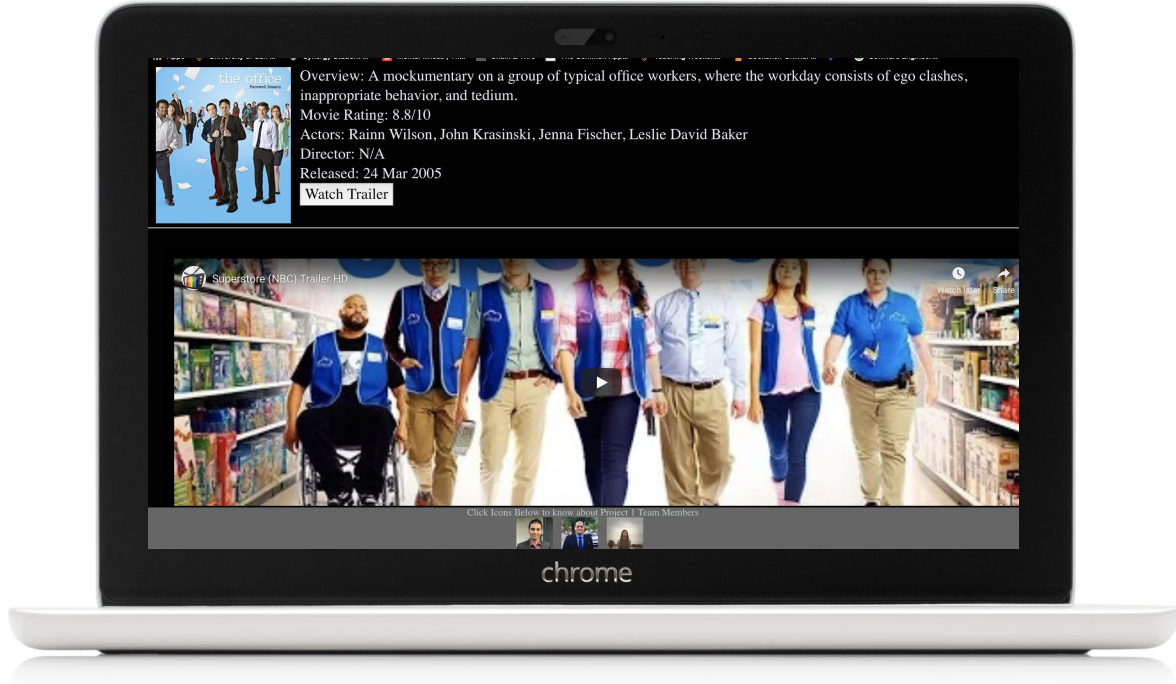

Third Step: After you press search on the second step, the information of your search will show on your screen. At the bottom of the screen, you can choose to see a trailer of the show..

Trailer Tube

— — —

Lastly, a trailer of the show or film that is similar to the show/film will show below the searched information on the same page!
